

SILENT *Piano*™

UTSG. Introducing the New Vertical Silent Piano! Imagine enjoying the superb touch, rich tone, and expressive control of a classic Yamaha professional vertical piano in total privacy through headphones. Merging state-of-the-art digital components into world-class pianos, Yamaha's new Silent Piano makes this dream a reality. Now, thanks to Yamaha, you can enjoy true acoustic performance, or you can choose to mute acoustic sound and hear your performance in superb digital reproduction – in controlled volumes or through headphones.

SILENT *Piano*TM U1SG

A Whole New World of Musical Possibilities! Offering unparalleled flexibility, Yamaha's Silent Piano opens up a whole new world of possibilities. Students, for example, can practice scales while others in the same room converse or watch TV, eliminating any need for a separate music room. Creative musicians can pursue their vision without restraint at any volume, day or night, and city dwellers never need worry about disturbing nearby.

U1SG Switchbox

U1SG Silent Piano

U1SG Headphones

- Silent Pianos allow the pianist to turn off the acoustic sound
- An increased 30 MB of wave memory has been used to re-sample every tone characteristic and individual nuance of the Yamaha CFIIIS concert grand - the result is the most realistic sample yet!
- Key and pedal sensors register every motion including key release
- Single track record facility, allows you to preserve your performances and build up a library of your favorite pieces.
- USB connection for easy transfer of recorded data, allowing you to catalogue your best performances.
- 9 superb new sounds: Harpsichord, Vibraphone, Pipe Organ, Celesta, Strings, Electric Piano 1 & 2, Jazz Organ and Choir
- Dual voice mode
- Control box contains 2 headphone sockets for teaching and duets
- Built-in volume and reverb controls
- MIDI In/Out, AUX In/Out and connections supplied with Yamaha stereo headphones and AC adaptor
- 50 demo songs built-in and songbook included
- A popular choice for institutions, practice halls and apartments. Available in the following Yamaha vertical pianos: **U1SG, U3SG, YUS1SG, YUS3SG, and YUS5SG**
