### **Donation for Relief Following the Kumamoto Earthquakes**

We at Yamaha wish to express our sincerest sympathies to all those people who are experiencing the severe effects of the Kumamoto Earthquakes.

We would like to announce that Yamaha Corporation has decided to make a relief donation of ¥3 million to the Japanese Red Cross Society for relief to those suffering from the disaster and assistance to the areas working to recover from the earthquake.

We are praying that the areas affected by the earthquakes will be able to recover as quickly as possible.
